

## **MASTERING ALCHEMY: PRACTICAL TOOLS FOR MANAGING THE SHIFT**

### **ABOUT JIM SELF**

**JIM SELF** is an international teacher, speaker, author (*Spirit Matters: Down-to-Earth Tools for a Spirited Life*), and leader in the field of spiritual development.

One of the few teachers, authors and speakers actually working at the leading edge, providing solid, up-to-date information and practical energy tools to help us keep pace with the Shift, Jim walks with a foot in both worlds.

At the age of twenty-six, Jim was elected to his first of two terms to the San Jose, CA City Council and later became the Vice Mayor. Before completing his second term, he was asked by President Jimmy Carter to be an advisor and the Director of Governmental Operations for the Dept. of Energy. As an entrepreneur, he has successfully built and sold two corporations, and is the founder and current Board Chairman of a third.

At the same time, Jim has had the ability since childhood to recall his experiences within the sleep state. Over the last twenty years, this awareness has expanded into relationships with the archangels, ascended masters and teachers of light. The tools and information presented in the program, Mastering Alchemy, is a co-creation of these relationships.

Jim has been leading seminars on personal energy management and the tools of Mastering Alchemy for almost thirty years. He offers free a wealth of FREE material on his website, including downloadable articles, videos, E-books, videos, and animations featuring essential Mastering Alchemy tools and other useful information. Details of his free online Teleclasses, Webinars, and classes can be found at <http://www.masteringalchemy.com>.

### SUGGESTED INTERVIEW QUESTIONS

- 1) As an adult, you've walked with a foot in both worlds - from Vice Mayor of San Jose, CA city council, to advisor and director of governmental operations for the US Dept. of Energy, to a successful entrepreneur who has built and sold two corporations... And all while simultaneously leading seminars, teaching healing, clairvoyance, personal energy management courses, and developing relationships with ascended masters and teachers of light with whom you have created your mastering alchemy programs. How difficult was it for you to juggle two such seemingly disparate lives?
- 2) Can you briefly explain what mastering alchemy is and what your programs offer?
- 3) You have said that your job is to take the information of the "Shift "as it is unfolding in the present moment and make it simple, safe and easily understandable so that people can make conscious choices without fear and uncertainty in taking their next step. Tell us more about this?
- 4) Relationships seem to be a big theme right now - not just our personal relationships with our partners, spouses and lovers, but ALL our relationships - why is this?
- 5) Many people are saying that "time seems to be speeding up, going faster," or that they appear to be losing their memory - Are they imagining it? Or are these things really happening to us?
- 6) People are also saying that stuff they had thought they had already dealt with is suddenly resurfacing - why is that?
- 7) In your book, WHAT DO YOU MEAN THE THIRD DIMENSION IS GOING AWAY? you say that the shift is now being demonstrated visibly in the emotional and physical bodies and that the 3rd dimension is dissolving. Can you give us some examples of what people are experiencing on a physical, emotional, and mental level?

- 8) We hear a lot of talk about ascension but few people really understand what that means, how it's going to come about, or how, specifically, it's going to change things for us individually and collectively. Can you make sense of this for us?
- 9) How are the 4<sup>th</sup> and 5<sup>th</sup> dimensions different from the 3<sup>rd</sup>?
- 10) Why is it so important for us to maintain "balance" during this transition - and can you give us an example of how "being balanced" might be demonstrated in everyday situations? what that might look like in particular situations?
- 11) How can we use the Law of Attraction to help us navigate the Shift more comfortably?
- 12) You've devoted a whole section of your book to the energy tools that form the basis of the Mastering Alchemy work? What are these tools and why are they so critical to our ability to navigate this transition easily and comfortably?
- 13) Can you give us some practical examples of how these tools work?
- 14) How can we best manage ourselves and guide our children as the "Shift" is dissolving one part of our world while at the same time presenting us with a very new world?
- 15) You have a section in your book about higher relationships. Can you describe what a higher relationship looks like?
- 16) The sub-title of your book is WHY NOW IS THE TIME TO RELEASE WHO YOU ARE NOT AND REMEMBER WHO YOU ARE? Why are you so adamant that NOW is the time? And why have we forgotten who we are? What do we need to do to become WHO we came here to be?
- 17) Following your 11-11 Conference you shared some information on YouTube about the Christed Energy having returned to the planet. At your 2-12-12 Conference you said that the door to the 3<sup>rd</sup> dimension had now closed and there was no going back. Can you say more about that, and if many of us are not living in the 3<sup>rd</sup> dimension, which dimension are we living in?
- 18) What was the connection between the events that occurred at both those conferences?
- 19) You called 2012 the Year of Transition, and said that we are all going to be quite different by the time we entered 2013. How are you seeing that difference manifest?
- 20) How can our viewers/listeners find out more about your programs and your free webinars?
- 21) Where can our listeners purchase your book?
